

# THE OHIO STATE UNIVERSITY CAREER SERVICES *Overview*

Ohio State utilizes a comprehensive, de-centralized career services model. College and department career services offices exist across the university to support students in connecting with internships, co-ops and career opportunities related to their majors.

## **Buckeye CAREERS**

Through Buckeye Careers, Student Life provides a unified career services support model available to all students and employers. Buckeye Careers works in partnership with all university career-related services to help employers find the customized support they need, from creating a new internship program to connecting with students. To learn more, visit [careers.osu.edu](https://careers.osu.edu).
